SUNSET CRUISE

Saba seen from the sea seems almost mystical as she stretches from the horizon to meet the clouds, and out of all the places around the island, Well's Bay at sunset is a must-see. During the golden hour, the cliffs change color to a warm orange as they await the setting sun.

Enjoy this spectacle with friends or family on our sunset cruise!* We'll provide the drinks on one of our Aventura Catamarans, and the music of your choice so you can fully enjoy the last hour of sun in one of the most unique settings in the Caribbean!
