

SEA SABA

SABA • DUTCH CARIBBEAN

An underwater photograph showing several divers swimming over a vibrant coral reef. The water is clear blue, and the reef is covered in various types of coral and sea fans. The divers are in various positions, some looking towards the camera, others looking towards the reef. The overall scene is bright and colorful, capturing the beauty of the underwater world.

Dive Training & Courses

We believe in low instructor to student ratios (max 4:1) to ensure that you get the best possible experience.

Sea Saba offers professional dive training programs for all ages and all levels, from first-time beginners to more experienced or those who want to enhance specific skills.

Consistent with Sea Saba's dedication to quality, any course will be conducted with a dedicated instructor (both above and below) who will work with you to ensure you have a positive, thorough learning experience both academically and in the water. Whether you want to hone your buoyancy, increase your comfort level, dive safer, and have a greater appreciation for the environment, or all of the above, we can get you there!

Many of our clients return to Saba with a friend or family member knowing that Sea Saba is a dive center that takes diving seriously but always makes it fun!
